### CUSTOMER FEEDBACK FOR TASTING EVENT APRIL 2021

6/4/21

A quick email to say how much we enjoyed the wine tasting session. Mathieu did a marvellous job with his explanations and lovely asides.

---

5/4/21

We all thoroughly enjoyed ourselves and thought, like you, that the evening was a brilliant success. Thanks so much to all those involved in laying on such an enjoyable event.

---

4/4/21

Thank you to the team for the Thursday night wine tasting – good fun although we would have liked to have been with our friends!! Next time perhaps.

---

4/4/21

This is a rather belated note to say how much we enjoyed the wine-tasting last week. It was interesting and stimulating throughout and we both learned a lot.

---

4/4/21

Well done on the recent virtual wine tasting.

---

3/4/21

I have already congratulated Graham on Thursday's successful session. It was very enjoyable.

---

3/4/21

May I add to the enthusiastic chorus of approval for the Webinar on Thursday evening. I watched with my two daughters and we thoroughly enjoyed the whole event. The Sauvignon has been a firm favourite of ours for years but we were amazed at the difference that a bit more Semillon (and a different treatment) makes to the Reserve. We look forward to the next event.

Can I add my voice to the people congratulating the team on the innovation of the on-line tasting event? It is always interesting to hear Mathieu talking about the process of wine making and the challenges. I love the way hearing him describing 'terroir' and the challenges of the climate!

Thanks again, and I look forward to the next event.

Just a quick email saying how much we enjoyed the zoom meeting on Thursday. Congratulations to you and the team for pulling this feat off, very informative and pleasurable!

Look forward to the next one.

---

2/4/21

It was great fun and instructive, and the wines drinking nicely.

Jolly good team

---

2/4/21

Thanks for the Zoom last night. I have one suggestion if you do it again. Rather than doing something at the start about the vineyard I suggest you start with a tasting and then intersperse each tasting with bits about the vineyard.

---

2/4/21

Really enjoyed the webinar last night (and the wine!!!). Many thanks to everybody.

---

2/4/21

Sorry I'm a bit slow but I wanted to congratulate and thank you all for the very interesting and informative meeting last night. Especial thanks to Matthieu of course for the considerable effort he had to put in to speak for so long in a foreign language which must have been quite an ordeal. It must have been hard for Marie as well so it's important to know that their efforts were very much appreciated by myself and my wife.

Now we face the thankless task of finishing up all the bottles before the wine goes off!

Thank you, Richard - it was an excellent evening, very good wines and very well organised.

---

2/4/21

Thank you so much for a very enjoyable - and knowledgeable it has to be said – evening last night.

We thoroughly enjoyed the wines on show – the Rose I think was exceptional, although the Reserve Merlot Cabernet was indeed outstanding.

In fact, we thought all the wines we tasting were excellent, so much so that we got through nearly all of them over dinner.

It was so nice also to put faces to names and have the workings of the winery thoroughly explained. You clearly have a first class vineyard at Domaine Du Grand Mayne operated by wonderful staff who all clearly work extremely hard to produce such high quality medal winning wines.

---

2/4/21

Excellent evening with many interesting new facts and stories about Grand Mayne, its history and wines. Please give everyone presenting the Zoom our thanks for a most enjoyable experience.

---

2/4/21

That was a good evening! Mathieu did very well.

---

2/4/21

Many thanks to you, Mathieu and the team for a most enjoyable evening last night. We did not seem to manage to keep any of the wine for the remainder of the weekend!!

---

2/4/21

Thank you for organising such a successful event last night. We enjoyed seeing close up shots of Grand Mayne and hearing from everybody particularly Mathieu whose expertise seemed outstanding.

Just a quick e-mail to say how much my wife and I loved the zoom call last night. as should be the wines were the stars of the show. but the oscar goes to mathieau who was remarkable for his knowledge of the wine process and gave a fine dissertation of the problems, and joys of wine making at Grand Mayne. Thank you and the team for a really good evening.

---

2/4/21

A really good evening, smooth zoom run and well organised comments from you all. Our group really enjoyed it and enjoyed a well balanced presentation. The Grand Mayne wines were well received. My wife found the Rose' a delight and the Merlot Cabernet 2018 was a treat. It brought back many happy memories, thank you very much.

---

2/4/21

Thanks for last night Richard. Very interesting and great to hear more from the "workers"! And the wines, as always, were delicious.

---

2/4/21

Many thanks to you and the team for last night's excellent Zoom meeting. It was good to listen in to an informed discussion on wines. Although we did not open every bottle (good wines don't deserve to be sampled and then left open for long periods), we enjoyed what we drank and look forward to the rest.

---

2/4/21

An interesting evening, which we both enjoyed.  
The preferences of both of us were in favour of the Sauvignon whites, and the Rose which seemed to have more depth than Roses of earlier years. We both felt that the two reds lacked something of the smoothness that we associate with a pure Merlot, but we liked the Fusion.

---

2/4/21

Many thanks to you all for a great evening last night. Much more entertaining than most of the Zooms I have had previously. Also will have more good evenings with six open bottles!

We just wanted to say a massive thank you for organising last night's tasting, thoroughly enjoyed it and have a slight headache this morning having consumed all 6 bottles between us (including our son and daughter who still live at home). A very different way of spending our wedding anniversary.

Really like the 2018 Fusion so hope I manage to snaffle up some of the 300 bottles when they go on sale.

---

2/4/21

Just a quick thank you to you and the rest of the Team for an excellent evening. It was very well organised and we appreciate the time and effort put into it to ensure we learned a great deal more about our wines.

---

2/4/21

Just wanted to say how well I thought the event went and how much we enjoyed it, together with of course Mathieu's wine.

Just the right balance of information and enjoyment.

All the characters played their parts very well.

---

2/4/21

Thoroughly enjoyable, Richard...excellent time management.... despite the obvious thirst for more knowledge....clearly an opportunity to revisit this format with another case...

---

2/4/21

Congratulations on a highly successful evening. I did notice a lack of spittoon on your table - same as mine!

---

2/4/21

Merci pour une agréable soirée. J'espère visiter à nouveau le vignoble cette année et parler à nouveau avec vous.

## DOMAINE DU GRAND MAYNE

2/4/21

Great session. Well organised. Thoroughly enjoyed it. Mathieu is a legend and presents very well. (As did Marie).

I think it would have been good to remind Members of the asking price for each of the featured wines, and perhaps you can do that via email to those who ordered the tasting case? Perhaps you have that in-hand already.

And a specific question from me. I loved the Reserve white. Is it available (UK, delivered) with back label only?

---

2/4/21

Merci, Mathieu, c'etait un tour de force. Votre niveau d'anglais est superb.

Thank-you, Richard and the team for an enjoyable hour and a half. We could have continued for the same time again.

---

2/4/21

Genuinely a fabulous night. Mathieu is amazing and you should get him in front of many people as you can. He certainly sold the wines to me.

---

1/4/21

Thank you to you and all for a really splendid evening. Enjoyable, informative, and making us feel part of the family.

---

1/4/21

A great evening with wonderful wines, thank you.
