

## DOMAINE DU GRAND MAYNE

Stays at our vineyard guest house provide visitors with an unrivalled combination of luxury accommodation, great scenery, fabulous wines and a unique insight into the workings of our 34 hectare vineyard and winery. At certain times of the year, golf breaks can be arranged, with the top golf professional **Peter Green** who will provide coaching during your stay, at nearby *Chateau des Vigiers*, a spectacular 27-hole golf course.

The course opened in 1992 and was designed by Donald Steel, considered one of the very best “natural” golf course architects. Arranged in three 9-hole loops, giving three 18-hole combinations golf, facilities include a 6-hole academy course, a covered driving range, practice greens and bunkers.

**Peter Green** played as both a British and English International at Junior, Youth and Senior level, and was capped 38 times for England as an amateur. As a professional, Peter was a European and Senior Tour member, and since 1966 has been an instructor to national teams all over the world. ([www.pog-online.com](http://www.pog-online.com))
